**GOVERNMENT OF THE REPUBLIC OF SERBIA**  
**- Prime Minister Mirko Cvetkovic -**

Dear Sir,

Having analyzed extensive documentation, the Anti-Corruption Council has prepared a Report on Pressure on and Control of Media in Serbia, and we are delivering it to you enclosed herewith. The Anti-Corruption Council has worked on this Report a long time wishing to present to the public as many quality data as possible, which will precisely indicate the core of the problem in this area.

The Report on Pressure on and Control of Media in Serbia will be also delivered to the OSCE Mission, as well as to institutions, societies and associations dealing with media with a request that they open a discussion about it, because, without the answer who and in what way controls the media, there can be no qualitative democratic breakthrough in Serbia, and consequently efficient fight against corruption.

As this topic is essentially significant for combatting corruption, we propose that a meeting be held between the Government members and the Anti-Corruption Council to discuss the problems stated in this Report. The time of the meeting would be determined in accordance with your availability.

Yours faithfully,

COUNCIL PRESIDENT

Verica Barac
